

DPT Monthly Newsletter

Last month we were still optimistic that we could host Lemonade Days this year – Dunwoody's signature community festival. However, as you know, the continued presence of COVID-19 still deters social interaction. While we had hoped for a postponed August date, after much deliberation we have sadly decided for the safety of our festival goers, staff and community it is best to cancel this event that thousands of you look forward to each year.

DPT's pledge is to sustain our quality of life by preserving the past, celebrating the present and building the future. We are currently looking for ways to help make up some of the loss of this event - DPT's only fundraiser. You will be hearing from us soon. In the meantime, mark your calendars for April 21-25, 2021 when we plan to host the 21st Annual Lemonade Days Festival!

Camp Flashback Success

Everyone had a wonderful time at Camp Flashback this summer, and we were able to keep our campers and staff healthy. The children enjoyed making ice cream, playing with the farm animals, and just running all over the farm. We are already excited for next year!

History Alive Begins Again

History Alive started back up on July 18 with a talk about Winston Churchill by Joe Wilson of the Winston Churchill Society. We were able to take advantage of our new tent at the Donaldson-Bannister Farm and stay socially distanced while we learned about this fascinating man. Join us for our

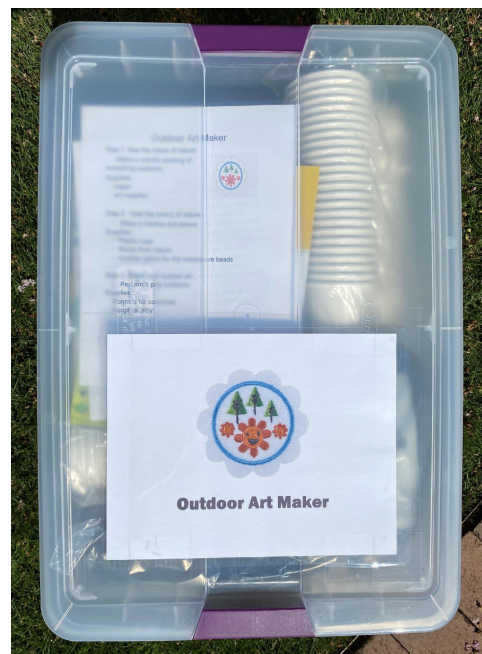

next presentation, **The Ancient Ways of the Cherokee**, on October 10.

Painted Picnic Table Project

DPT had a blast being a part of the City of Dunwoody's Painted Picnic Table Project. The theme for our table was "Lemonade Days". Grab some delicious food from one of the restaurants in the Shops of Dunwoody and have a seat at our table!
