

Take a look at just some of the activities your children will experience first-hand at **Camp Flashback**:

Weeks 1 & 3 (June 18- 22; July 9 – 13)

Family Life & Transportation will include activities such as creating paper and quill pen, sewing, quilting, weaving, exploring period bikes, railroad, wagons, and horses.

Weeks 2 & 4 (June 25- 29; July 16 – 20)

School Days, Games & Music will include activities such as calligraphy, learning about and using chalk and slate, making and playing 19th century games, singing and playing musical instruments.

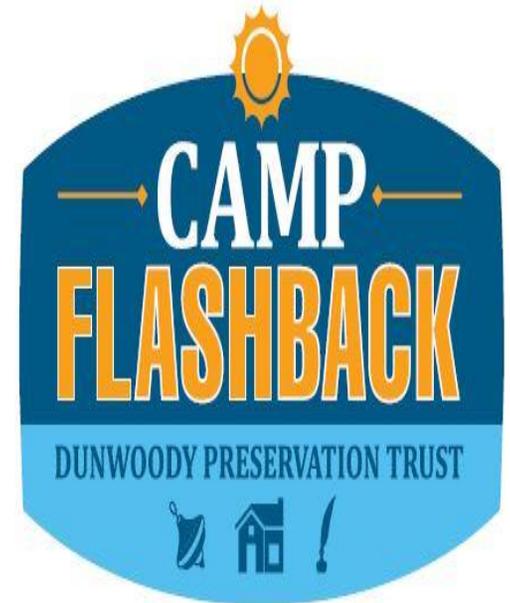

Camp Flashback will allow history to come alive for your children with our weekly camp themes.

Camp Flashback will let campers experience history by doing the ordinary things the original children of the farm would have done. They will get the feel of living in the past as they learn by doing – without technology.

Sponsored by Dunwoody Preservation Trust and staffed by experienced educators.

Camp Flashback at our very own Donaldson-Bannister House & Gardens

Each camper will create very own journal. They'll learn to make paper and a quill pen and write in 19th-Century penmanship to create a journal in which they'll record everything. Long after **Camp Flashback**, they'll have their journal as a memento of their 19th century experience.
