

DPT Monthly Newsletter

The weather has turned colder and our thoughts are turning to the start of a new year. 2020 has been a challenge to all but as I look back over the year, Dunwoody Preservation Trust has consistently upheld its mission. We have worked to preserve Dunwoody's past, celebrate its present and build towards the future. Despite COVID, we were able to host Camp Flashback, many of our History Alive programs and to continue to bring the community together through events like our Farm to Table Dinner and Apple Cider Days. We could not have done any of these events without your help. As you look towards 2021, please JOIN US as a DPT member. We offer a number of benefits including early registration to all our activities. It's easy to join! Just click the button below.

Have a very Happy Holiday!
