History Alive A Short History of Barbecue in America

Barbecue: It's America in a mouthful. The story of barbecue touches almost every aspect of our history. It encompasses every region and demographic group

and is entwined with our politics. Come join us on Saturday, March 20 from 9:30-11am under our tent by the barn. Journalist and author, Jim Auchmuty will be sharing the delicious and contentious history of barbecue in America. The presentation will cover the golden

age of political barbecues, the evolution of the barbecue restaurant, the development of backyard cooking and the recent re-discovery of traditional barbecue craft.

\$5 DPT members / \$10 non-DPT members - no reservation required.
