## History Alive

Join us **Saturday, November 21**, for our next History Alive program - *Underwater Ghost Towns of North Georgia: The Story Behind the Story*.

Underneath the more than 40 lakes throughout North Georgia lie lost communities, crossroads, racetracks and even entire towns. In *Underwater Ghost Towns of North Georgia*, Lisa Russell explores the reasons why these lakes were made and the stories behind the underwater settlements, where towns and farms once thrived.

History Alive will be held under the tent at the Donaldson-Bannister Farm for social distancing from 9:30-11am. \$5 DPT Members / \$10 Non-Members. No prior reservations are required.

## Looking to host a Holiday Party?

Are you looking for a place to hold your holiday event that can accommodate COVID guidelines? The Donaldson-Bannister Farm has a 40'x40' tent that can be enclosed as well as the farmhouse that has had its air system fitted with a UV light and filter system for viruses. We can accommodate groups of various sizes.

## School & Scout Tours

Scouts and school children can experience a bit of 19<sup>th</sup> century farm life during our tours of the historic Donaldson-Bannister Farm. Our tours also cover life beyond the farm, including the settlement of the Dunwoody area prior to the Civil War and the growth of the region in the 20<sup>th</sup> century. For our Girl Scouts, we have 5 Badge Boxes to help you earn a badge while you are here.

## What's in a Name?

What's in a name? A lot! So, while we know "Monthly Newsletter" is descriptive, we would love to find a name that's more fun and related to our love of the Dunwoody community. If you have any suggestions, please email them by Nov. 30 to [info@dunwoodypt.org](mailto:info@dunwoodypt.org). If we pick your suggested name, we'll recognize you in our holiday newsletter!
